Best Game First 1,000 torrents every day, sorted by .Emma Watson has been nominated for the Academy Award for best actress for her role in the movie The Bling Ring, which is a movie about a group of young thieves who successfully robbed high-profile Hollywood homes in 2010. It sounds like a gritty and serious movie, but considering the description Watson gave for her role in the movie, it is definitely going to be an Oscar movie for all of us to fall in love with once it's out in theaters. Watson says the movie is a "graphic" story about "a group of young thieves," and describes it as a "glamorous and kind of dramatic retelling of what happens in Hollywood." Vulture.com is reporting that Oscar nominations are being announced this morning, and Watson's co-star in the movie, Katie Cassidy, is also up for an Academy Award for best supporting actress for her role as Watson's best friend in the movie. I can't wait to see The Bling Ring in theaters this winter. There are so many great performances in this movie, and it seems like such a great portrayal of the Hollywood lifestyle. Watson is also nominated for a Golden Globe for her performance in the movie. What do you think of the Oscar nominations so far? Are they "the girl next door" or "the queen of Hollywood" that people keep talking about?I know that I've posted about geocaching before, and I've done it a few times in the past. And I think I'm still going to do it again, so here goes ... I love Geocaching. The simplicity of it. You don't have to learn anything new. You just start at your house, plan a route, and then you start geocaching. It' f678ea9f9e
