A screenshot of the iTunes Preview page for the MindMaple app. The top navigation bar includes links for Store, Mac, iPod, iPhone, iPad, iTunes (selected), and Support. The main header reads "iTunes Preview" with sub-links for "What's New", "What is iTunes", and "iTunes Charts". The app listing for "MindMaple" by "MindMaple Inc." is shown, with a "View More By This Developer" link. The app icon is a stylized orange and red maple leaf. A "View In iTunes" button is present. The "Description" section states: "MindMaple for iPad is a fast and intuitive way of organizing and prioritizing information for project management, brainstorming sessions, idea sharing, drafting lesson plans, taking lecture notes, problem solving, managing schedules and more." Below this is a "MindMaple Support" link. The "What's New in Version 1.30" section lists updates: "Xmind, MindManager and Freemind files can be opened", "Maps can be exported to PDF", and "Changed the design of topic's move zone, resize knob and preview when adding or moving". A "...More" link is at the bottom right of the description area.
